

Together for Yes.

We need your help to win a YES vote this May

Why should I donate to Together for Yes?

As we work together to build a winning campaign, your donations will be absolutely vital. Every donation helps to pay for critical things we need:

- €1,000 can pay for four information evenings in different parts of Ireland
- €200 can pay for 20 posters in our vital national poster campaign
- €50 can buy 2,500 leaflets to go to homes around the country
- €20 can pay for messages on social media reaching 1,000 undecided voters

How can I donate?

The easiest and simplest way to donate is online on our website.
To donate online, go to www.togetherforyes.ie/donate/

Alternatively, send a cheque payable to 'Together for Yes'
to **Together for Yes, 14 Mount St Upper, Dublin 2**

How else can I help fundraise? Organise an event!

We're encouraging all of our supporters around the country to organise events to fundraise for Together for Yes. Whether a table quiz, coffee morning, live gig, or whatever creative idea you have, every event is a great chance to get people engaged with the campaign, as well as raising essential funds.

Contact us at events@togetherforyes.ie for your 4-Step Events pack with everything you need to make your event a success.

Any questions or want to get in touch?

We want to hear from you! Contact us at fundraising@togetherforyes.ie
